issued awarding compensation to Petitioner based on the parties' stipulation. (ECF No. 25.)

Petitioner has now filed a motion for attorney's fees and costs, dated April 1, 2020, (ECF No. 30.), requesting a total award of \$11,139.01 (representing \$10,613.50 in fees and \$525.51 in costs). In accordance with General Order #9, counsel for Petitioner represents that Petitioner incurred no out-of-pocket expenses. (*Id.* at 2). Respondent did not react to the motion.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates.

The Vaccine Act permits an award of reasonable attorney's fees and costs. § 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. I award a total of \$11,139.01 (representing \$10,613.50 in fees and \$525.51 in costs) as a lump sum in the form of a check jointly payable to Petitioner and Petitioner's counsel. In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk shall enter judgment in accordance with this decision.³

IT IS SO ORDERED.
